Soil: What is the condition of my heart as I plant this verse? Is there a reason I picked this verse?

## Reflection and Prayer for Growth

I don't want to read God's Word and walk away unchanged. I want to gaze on the beauty of His Word and ask what He is revealing to me, individually and intimately. I want to talk to the Sower and ask that this seed grow in my heart and produce fruit in my life that others may see and want to spend time with the Master Gardener.
